I have been to a lot of small shows, and I also went to see the Red Hot Chili Peppers in Argentina last year and I'm saving money to see the Pearl Jam show in April. I like playing basketball, although I don't practice it, and of course I love watching basketball games. I love being with friends.

I don't like dancing, and I don't like doing activities alone.

I'm good with children because I have a lot of children in my family. I am learning to play the guitar. I'm good at school but I'm a little lazy. And I'm good with people, so I have a lot of friends. I speak a little bit of French, but I love English, that's why I want to go there, I want to learn more, meet new people, to know about your culture and to show you mine.

I'm really looking forward to going there! I can't wait!
